## GOD BLESS AMERICA!

Every day a multitude of Christians will pray for God's blessings on America! Each year Christians from around the country gather for the national day of prayer and every morning millions of Americans will start their day asking for America to be blessed by God.

**But can America be blessed again?  
And if so - HOW?**

I think we are all aware that America was under the blessing of God from the moment our European ancestors placed their feet on American soil. I think it would border on abject foolishness to deny that the hand of God guided our forefathers and shaped the formation of this republic. Of course, there are those who do not recognize God as having any part in the founding and growth of America.

In the 1940s, famed song writer and actor, Tex Ritter wrote and recorded, God Bless America Again.

Here are some of the lyrics from that song.

*God bless America again*

*You see all the trouble that she's in  
Wash her pretty face, dry her eyes and then  
God bless America again!*

Country singers, Loretta Lynn, Conway Twitty, Bobby Bare and others have recorded their own version of the song.

**Will God bless America again?** Of course, He will. But some things must happen first. Consider: blessings don't come from asking - they come from repenting!

Looking back before this century dawned upon us, looking back before our people were led by the hand of God to

**See God Bless America page 2**

## GOD BLESS AMERICA from page 1

these shores, looking back before our ancestors marched through Europe developing the great nations of England, Scotland, Germany, Italy, France, Spain as well as many others, looking back to the ancient times before our ancestors escaped the slavery of the Assyrians and flooded over the Caucasus Mountains into Eastern Europe, we can read in the Bible of how God spoke to our forefathers and mothers and said, *“Remember this, O Jacob and Israel: for you are my servant: I have formed thee: you are my servant: O Israel, I will never forget you,”* Isaiah 44:21.

**I will never forget you!**  
**That’s a pretty big deal!**  
**It also shows a big commitment!**

I suppose if we are going to ponder the question, Will God Bless America Again? It would be important to understand exactly what we identify as America.

I know that there are those who will disagree with my understanding, but our history and laws clearly show that America is a racial nation. Although Hannah Nicole-Jones in her dissertation titled *The 1619 Project* gives a distorted and flamboyant description of America’s history - the core of her analysis is accurate - America was founded by and for white people. The foundation of America and the people who formed this Constitutional Republic are forever intertwined as one. Aliens (legal or illegal) do not suddenly become an American by crossing our borders any more than a boy becomes a girl by going into a girl locker room.

America is a racial nation, founded and built by courageous and faith inspired people who came to these shores from Europe. It was built upon racial oneness. America is European in its laws, institutions, values and religion. America is a European nation built on the North American continent by the sons and daughters of Europe. America is more than capitalism and it’s even more than the constitution and self-government. America became great not because it had a great constitution, but because it had as its foundation a great people who were blessed by that amazing

covenant God gave to Abraham, Sarah and to all their generation. (That means you!) For that reason, we were given the ability to create a functioning self-government, religious freedom and of course other natural rights. It was a people who shared a common origin that gave us the ability to put this all together and pass it down to their sons and daughters.

John Jay, the first Chief Justice of the United States stated,

*“With equal pleasure I have often taken notice that Providence has been pleased to give this once connected country to one united people. - a people descended from the same ancestors, speaking the same language, professing the same religion. Attached to the same principles of government, very similar in their manners and customs, and who, by their joint counsels, arms, and efforts, fighting side by side throughout a long and bloody war, have nobly established general liberty and independence.”*

In other words, John Jay acknowledged the strength from which we as a nation was built was because we were **One United Race** with **One United Christian faith**.

In other words, our strength was not diversity but unity.

By every drop of blood, by every prayer offered into heaven and by every unction of the Holy Spirit and by everything that is moral, sacred and holy – America belongs to us.

Aliens (legal or illegal) do not suddenly become an American by crossing our borders any more than a boy becomes a girl by going in the girl locker room.

See GOD BLESS AMERICA page 3

## GOD BLESS AMERICA from page 2

But why has our nation betrayed the gift of our forefathers?

Our free-market economy is the best economic system in the world. But it was not our economic system that made America great! The Declaration of Independence and the Constitution helped create the greatest nation in the world. But it was not the written words of men that made us the greatest county in the world. America was built upon people and specifically **the people who came from the shores of Europe who are the covenanted sons and daughters of Israel**. Self-government, free enterprise and all the other God given rights of free men were a gift that our forefathers received from God, and which were then passed down to us.

### When will God Bless America?

I am aware we see signs, billboards and statements saying *God Bless America*. But it would be foolish to believe that God will bless America simply because we ask him.

Some will say, why not?

#### Consider!

Can a man commit murder, then ask God to protect him so he won't get caught?

Can a man cheat on his wife, then ask God to help him conceal it so she will not find out?

Can a man, lie and rob from his neighbor, then ask God to bless his lie and bless his robbery?

Yet, this is what our nation has done? We have defiled the laws of our God and now we pray for his blessings?

How utterly foolish!

Do you believe God's word?

**Don't you know the Bible says that the nation that forgets God will be turned into Hell!**

I know there are those who do not believe the word of God, but those of you who claim to be Christians, surely you must understand that our nation is suffering from the sins it has created.

We are facing this catastrophe upon our nation,

and many are bewildered by when and how this happened. Millions of Christians pray to God to take away this pain. But as we read in Isaiah 1, "No medicine takes away the pain."

There is a growing divide in the nation which is good. Marjorie Taylor Green said it is time for a national divorce between red and blue states.

Those which promote what we call the WOKE agenda still want to kill the unborn, Aliens are still flooding into America.

The LGBTQ freak show wants to transgender our children and think WE are being hateful because we don't want them to have the liberty to satisfy their abhorrent sexual fantasies by shaking their butt in the face of our children.

All these things which are upon America causing great alarm among Christians are not the sins in America - **they are the judgments upon America.**

We pray to God to make our country safe from terrorists, out of control crime, fentanyl, illegal aliens, inflation, threats from China, Covid, the WOKE agenda etc, etc, etc. and yet this rotten stench continues unabated.

Jefferson said, "Can the liberties of a nation be thought secure when we have removed their only firm basis – a conviction in the minds of the people that these liberties are a gift from God? That they cannot be violated but with his wrath."

Deut 28:43 *"The stranger that is within thee shall get above thee very high and thou shalt come down very low."*

The strangers that are "within" us are the racial aliens we have allowed into our country. However, that in itself is not the sin. It may be foolish, but it is not the sin. The sin is when we failed to keep the commandments of Loving our God and Loving our People.

The birth and throughout the growth of America (when our blessings were unmeasured) we were both **CHRIST CENTERED** and **WHITE CENTERED.**

However, in the 1950s and 1960, after 400 years of blessings, America redirected its focus. We began to think that God was just an unnecessary nuisance and then our compassion was manipulated to believe we should feel guilty for

# DON'T BE FOOLED!

By yet ANOTHER anti-White icon  
Dietrich Bonhoeffer

**The One World Church often creates its own heroes and icons for the “sheep” to admire. The constant praise for Bonhoeffer is one such example. In recent years Bonhoeffer has been elevated to the status of sainthood. His writings has been suggested as reading material for young people and the uninformed can be easily fooled. While his writings appear to suggest a devotion to Christ, he used his life to promote causes Christians should oppose.**

By Pastor Thomas A. Robb

Recently, I saw an ad for a book titled *Letter to the American Church* by conservative radio host, Eric Metaxas but then I saw who it was about (Dietrich Bonhoeffer) and I declined to make the purchase, although most likely I eventually will. The book gives exceeding tribute to Lutheran icon Dietrich Bonhoeffer. Metaxas also wrote *Bonhoeffer - Pastor, Martyr, Prophet, Spy*, which joined with others lifting Bonhoeffer to sainthood status. Bonhoeffer is portrayed across most all Christian circles as a great man of faith who courageously stood in defiance of evil. However, I was also surprised to see an article in a Christian Identity publication which likewise praised the life and work of Dietrich Bonhoeffer as well. I was surprised because Bonhoeffer's teaching of universalism and his sordid relationships to liberal theology is so well established and well known among historians and schooled researchers, I couldn't imagine how anyone on our "team" could be deceived into offering any praise or adoration to Bonhoeffer. That would be like someone on "our side" telling us how wonderful Martin Luther King was.

But we do know the One World Church is clever

in its ability to use gullibility to advance its kingdom. Bonhoeffer is considered a noted Lutheran pastor, theologian and an opponent of German nationalism. The subtle message for pliable minds is that we should also oppose American nationalism. That somehow the idea of an America First policy will disrupt the agenda for World Peace. Bonhoeffer told us.

So what about this Bonhoeffer guy? He was one of the founding members, along with Martin Niemöller and Karl Barth, of what was known as *The Confessing Church*. *The Confessing Church* was founded in opposition to the *German Evangelical Church*. *The German Evangelical Church* was considered by Bonhoeffer and others in *The Confessing Church* as a "German Christian movement in the Protestant Church" controlled by Nazi zealots, much like the claim by today's Fake News that the MAGA movement in America is promoted by Christian Nationalist zealots and if given power will destroy democracy. Bonhoeffer even used the same propaganda line that Black Lives Matter and Antifa uses today. Bonhoeffer is

See **BONHOEFFER** page 5

## BONHOEFFER from page 3

famously quoted to say, “*Silence in the face of evil is in itself evil,*” which has a eerie resemblance to the slogan by BLM and Antifa which they packaged into the shorter mantra, “*Silence is Violence,*” meaning if you do not fight against racism then you are evil and must be destroyed.

The German Evangelical Church recoiled at the attempt, led by Adolph Hoffmann, Minister of Education and Public Worship during the early years of the Weimar Republic to confiscate church property and ban school prayer. Hoffmann was a member of the Reichstag and a leading member

Saint Dietrich in stain glass at Basilica of St. John the Baptist in Berlin.

of the Communist Party of Germany. The German Evangelical Church had established a tradition of opposition to communist and anti-German propaganda, so they naturally gave their support to a movement that wanted to *Make Germany Great Again*. (Of course, they didn't use that mantra, but I think you get the idea) However, *The Confessing Church* led by Bonhoeffer accused *The German Evangelical Church* of being a tool of right-wing zealots who were trying to take over and control religion. (That sounds like the same kind of propaganda coming out of CNN and other fake news outlets.)

So I was surprised to see an article glorifying Bonhoeffer in a Christian Identity publication explaining that “*Dietrich Bonhoeffer was among a cluster of young seminary graduates who were starting their pastoral careers and were determined that the single party state would not dictate what they could preach from their pulpits.*”

While I am sure the person glorifying Bonhoeffer is sincere, the fact is that Bonhoeffer's intent was entirely different. Sure, you can find statements from Bonhoeffer and *The Confessing Church* speaking about freedom in the pulpit, but we certainly should be wise enough to know that the enemies of freedom always accuse traditional conservatives of doing exactly what THEY are doing. It is called projectionism. In America we have witnessed what happens when anti-white, anti-American, anti-family and anti-Christians demand freedom to promote their agenda in our schools, universities and media. Once they “get in” they then inform us that Christian speech is actually hate speech and is to be shut down. Now they are demanding that Christians with traditional values are to be silenced under the force of a growing police state designed to harass, indict and imprison their opposition which are labeled as insurrectionist and enemies of democracy, even arresting parents at school board meetings.

It is a repeat of what happened in Germany under the Weimar Republic.

Bonhoeffer and *The Confessing Church* worked to undermine the adoption of *The Aryan Paragraph* which excluded non-Aryans (non-whites) from having authority over the German people in the areas of religion, education and government. Bonhoeffer, claimed this was an attempt by the new German government to control the church. However, *The Aryan Paragraph* was actually in harmony with Scripture which instructs us Deut 17:15 - “*thou mayest not set a stranger over thee, which is not thy brother.*” When *The German Evangelical Church* supported these laws to protect the German people from the influence of non-Aryans (non-whites) which also excluded non-Aryan clergymen or churches of having state

See BONHOEFFER page 6

## BONHOEFFER from page 5

recognition. Bonhoeffer made the accusation that the state was trying to control the church. In other words, Bonhoeffer was “all in” for Diversity - just like all other anti-Whites.

Bonhoeffer was also an admirer of Paul Tillich who has been identified as Christian existentialist philosopher, religious socialist, and Lutheran theologian. Tillich left Germany in 1933 and followed the suggestion of his friends Reinhold Niebuhr and Max Horkheimer to seek a professorship at Union Theological Seminary in New York. Max Horkheimer along with Theodor Adorno were the “brains” behind the Frankfurt School’s *Institute of Social Research*. The Institute was highly political with socialist admiration for Karl Marx. It was here where the concept of Critical Theory was developed. The goal of Critical Theory is to deconstruct (Christian) society’s rules of right, wrong, normal etc. The Frankfurt School was closed down by the German revival in the 1930s and it relocated at the very liberal Columbia University in New York. Today Critical Theory, as developed by the staff at the Frankfurt School, is identified as *Critical Race Theory* and was the brainchild of Bonhoeffer’s buddies at *The Institute of Social Research*, now known simply as *The Frankfurt School*. According to, *The Socialist Politics and Theology of Paul Tillich* by Matt McManus, Paul Tillich, who was admired by Dietrich Bonhoeffer, stated in 1919 that Christians should, “enter into the socialist movement in order to pave the way for a future union of Christianity and the socialist social order.” This is exactly what Bonhoeffer and those in *The Confessing Church* were doing. Tillich also argued that the concept that civilization is built on the foundation of Blood and Soil is a myth.

Bonhoeffer sure knew how to pick good friends!

At the end of World War 1 Germany, under the *Weimar Republic* was plunged into moral free fall. The *Weimar Republic* was morally corrupt. Open male and female prostitution were protected, abortion was encouraged. The “nightlife” catered to transvestite and homosexual “clubs.” In the city

of Berlin alone there were 12 Girl-Culture venues, 10 Homosexual venues, 10 Lesbian venues, 6 Nudist venues, 1 Sex Museum, and 5 Transvestite venues. I have some of the photos and promotional material advertizing these “venues.” Trust me, it is not possible for you to imagine the depravity that existed in Germany before its revival.

In this country, we are just beginning to see how vile this is becoming.

Germany was in need of revival - the same kind of Christian Nationalist revival we need in America today. Like those that oppose White Christian Revival in America today there was *The Confessing Church* hiding behind the mantle of the church to use the piety of religion to subvert the German revival in the 1930s. I know the name *Confessing Church* sounds like a group of faithful saints combating evil, but the name fools only the uninformed.

The World LOVES Dietrich Bonhoeffer. But note: In the arena of religion and politics it seems like you would be on pretty solid ground to hate what the world loves and love what the world hates. “Love not the world, neither the things that are in the world. If any man loves the world, the love of the Father is not in him,” 1 John 2:15.

As stated, Bonhoeffer was one of the founders of *The Confessing Church*. The name has the sound of Saints standing against modernism. But that is far from the truth. His connections and associations with modernists and outright Communists reveal him to be the proverbial “wolf in sheep clothing.” In the 1930s Bonhoeffer took on a position of a teaching fellowship at *Union Theological Seminary*. Of course, we all know of the socialist teachings of Union which in 1928 associated itself with Columbia University and its socialist agenda. That is why when the *Frankfurt School* was ousted from Germany in the early 1930s, they found a welcome at Columbia. Union, had long which had long abandoned Biblical Christianity. Bonhoeffer did leave after a short time. But Union evidently felt comfortable with his “theology” to have offered him the position. In 2019, *Growing Christians* stated on their web site:

See BONHOEFFER page 7

## BONHOEFFER from page 6

*“In leaving behind the safety and security of a professorship in New York, he (Bonhoeffer) would return home to struggle mightily against white supremacist nationalism.”*

Like Bonhoeffer another opponent of “white supremacy”

- both then and now was and is Antifa. They have been on the news a lot lately, but Antifa got

its start in Germany in the 1930 during the Weimar Republic to fight against German Christian Nationalism. While Antifa was the brute force against the Christian Nationalist revival in Germany, Bonhoeffer was the “pretty face” masking himself behind the cloak of the clergy, much like Martin Luther King did. Above is a photo of the Antifa and Communist Party headquarters in Berlin. Note the Antifa flag and Communist Hammer & Sickel flags on the wall. KPD stands for Communist Party of Germany.

While at Union Bonhoeffer established a friendship with Frank Fisher, a black seminary student who introduced him to the Abyssinian Baptist Church in Harlem where he came associated with Adam Clayton Powell Sr. and Adam Clayton Powell Jr. Bonhoeffer's friend Adam Clayton Powell Jr. as a congressman from New York was joined by Congressman Emmanuel Celler of New York in 1955 to push for passage of “Civil Right” laws. We have seen how that has worked out. In 1942, Powell, who Bonhoeffer had befriended, began publishing *The People's Voice*, a newspaper designed for “a progressive African American audience.” It was shut down in 1948 because of its communist connections.

Bonhoeffer was committed to the gospel of Social Justice for ethnic minorities and was frustrated with the church dragging its feet on racial integration. For that reason, soon after returning to Germany he was recognized as a

viable spokesman for ecumenism and was appointed by the *World Alliance for Promoting International Friendship through the Churches* (a forerunner of the *World Council of Churches*) as one of its European representatives. According to archives kept at Swarthmore College (Swarthmore, PA) “the Alliance worked on such issues as disarmament, racial and religious minorities, the League of Nations, conscientious objection, refugees, peace education and arms control.” I am sure you recognize all the above as hot button issues used by globalists and advocates out of the Frankfurt School.

In 1935, Bonhoeffer accepted an invitation to travel to India and study “non-violent resistance” under Mahatma Gandhi, but then declined in order to continue his anti-nationalist work in Germany.

Bonhoeffer's close relationship with Reinhold Niebuhr, who was a professor for 30 years at *Union Theological Seminary* is also quite revealing considering Niebuhr admitted to supporting the social gospel of Marxism. Myles Horton (founder of the Highlander Folk School) and Martin Luther King Jr. both cited Niebuhr as a political mentor. In the 1930 Reinhold Niebuhr founded *The Fellowship of Socialist Christians*.

Bonhoeffer's close friendship with Martin Niemöller is likewise disturbing. Niemöller was vice-chair of *War Resisters' International* from 1966 to 1972. During the Vietnam war, like Hanoi Jane, he traveled to North Vietnam to meet with its communist dictator Ho Chi Minh.

In 1961, Bonhoeffer's friend, Niemöller, became president of the *World Council of Churches*. He was awarded the *Lenin Peace Prize* in December 1966. The offering of the *Lenin Peace Prize* began in 1951 and was created in the Soviet Union. Certainly, most of you are aware that Lenin (Vladimir Lenin) was the Communist dictator that overthrew the Christian nation of Russia in 1917 and was behind the brutal assassination of the Russian royal family establishing communist rule in what became known as the Soviet Union. Besides Bonhoeffer's friend Martin Niemöller to be given the *Lenin Peace Prize* was the Cuban Communist dictator Fidel Castro, anti-white agitator, W. E. B. Du Bois, South African terrorist

# New Tract Available

"We need to get thousands of these tracts distributed Across the country"

*Thomas Robb*

Has God Removed His blessings from America

It certainly seems so. We hear of inflation, illegal aliens, anti-white Critical Race Theory (CRT), weakened economy and the confusion some have in determining how to tell the difference between a boy and a girl.

We are told that these are problems Americans face. But these are not the problems!

They are the curses we for turning against God.

## Easy Math

Some say there are only 15 million (only!) illegal migrants in America. But others say there are as many as 30 million illegal migrants.

The US has a population of 332 million.

If there are 15 million migrants that would mean **one out of every 22** people you see on the streets are here illegally.

If the newer figures are accurate that would mean **one out of every 11** people you see on the streets are here illegally.

Welcome Migrants! **America is being invaded!**

Welcome to America!

And America is changing. The change is not good, and the children.

The 3rd World invasion!

If you think we are having a wait until these "minorities" become the majority! **What will your children do?**

**THAT is why we need Jesus!**

## 100 for only \$20

We need these tracts distributed by the thousands throughout the country. There are many people being sucked up into the **One World Church**. The One World Church has hijacked our very best nature - a nature of compassion - and have twisted it to take us to a very dark place that ends up in White Genocide. The One World Church is guilty of making evil "good" and good "evil."

These tracts can be left on counter tops, in stores, or rest rooms. **They are small and can be easily distributed without attracting attention to your self.** You can also simply mail a few out each week. You can order 50 of each for the same price.

The price includes postage, but if you are able to send a couple extra dollars to help on postage that would be helpful. The tract offers a free DVD to those who wish more information. Your tithe and contribution to the Church will help toward the production and mailing of these DVDs.

Wanda F. helping to keep the church looking neat and clean. Kids at the church on a clean-up day, hanging out and having a break from picking up branches and fallen tree limbs. Mike M. with his underpaid assistance, Victoria, (wife) installing mini-split heating and A/C system in dining hall.

our blessings. Actually, Oswald Spengler, prophetically saw this coming upon us as far back as 1918 with the publication of *The Decline of the West*, then again with his 1930s book *Man and Technics*.

So we began to believe insanity that *Diversity was our strength*. And even if we didn't, we were willing to vote for politicians who did.

So now the stranger is above us very high and we have become very low.

Christians who are fearful of being called a racist are fighting against the WOKE agenda when in reality the WOKE agenda is not the sin - the WOKE agenda is the curse or judgment for our sin.

Our Children are being told in schools, magazines, TV, TikTok, and other social media platforms, as well as most churches that the love of our White Christian Heritage is racism - it is sinful!

We have brought sin and reproach upon our children. God has been taken out of our schools, and government. We have brought a curse upon our

people, homosexuals, abortions, race-mixing transgenderism. We have made covenants with heathen nations and have weakened our resolve.

Our industry has gone to third world nations, Christians have lost control of their borders, their schools, their industry, their government and their children.

And we dare ask God to bless America!

The vast majority of these things that we are suffering are not the sins of America – they are the curse upon America. It is like a child complaining about the switch dad uses on his behind. The problem is not the switch – the problem is disobedience.

Most Conservatives and Christians think the problem are liberals, democrats, socialists' the reality is they do not know the judgments of the Lord

“When my judgments are in the earth, the inhabitants of the land will learn righteousness” Isa 26:9

The sin which prevents our blessing is simple – We no longer love our God and we no longer love our people. Until we do - judgment will continue.

## Take care of this important business today! Your Estate - Large or Small - Can Continue the Campaign for White Christian Revival After Your Death

A charitable bequest is simply a distribution from your estate to a charitable organization by means of your *Last Will and Testament*. To insure your instructions are followed accurately, you must use very specific language to tell precisely where your assets (regardless of how small or large it may be) are to go. This insures your final wishes will be successfully carried out. In any charitable bequest, be sure to accurately give the name and address of where your bequest is to be directed.

If you would like to leave a **portion** of your estate to the *Christian Revival Center*, contact Pastor Robb at 870-427-3414 or you can call the law firm of Jason M. Robb at 870-743-2215 and he will prepare your *Last Will and Testament* **at no charge to you or to the church**. He will be able to handle this for you regardless of where you live. In other words, you do not have to be a resident of Arkansas.

If you already have your *Will* prepared by your own attorney, you can simply ask your attorney to add the *Christian Revival Center*. Jason Robb will be happy to provide proper information to your attorney.

It is important that you take care of this as soon as possible. If you do not have a properly *Will* there is the danger that your assets will be taken over by the state.

Nelson Mandela and U.S. Communist member Angela Davis. I am aware that the “world” loves these people, but as Christians we should not.

Bonhoeffer certainly traveled in “good” company.

If Bonhoeffer was alive today, he would be among those that would be spreading the same lies about American Christian Nationalism that he along with ANTIFA and the Bolsheviks spread about the “Make Germany Great Again” movement of the 1930s.

Trump identifies the mendacity of the media as Fake News. In the 1930s the media was identified as the Lugenpresse (lying press). I am aware that much of what Bonhoeffer said was good, but then so are many of the words of Billy Graham, Joel Osteen, Robert Morris or even Jimmy Swaggart.

Martin Luther King has also said some things we are supposed to admire. But would we trust any of these men to defend our racial heritage? Like Trump, Hitler was not a preacher, but through his love of race, faith and homeland he was guiding Germany back to its historical Christian roots. Germany was being reborn, and opposition was great and lies about the German revival were (and are) in abundance. Bonhoeffer became involved in a plot to have Hitler assassinated. Subsequently he was arrested and convicted of treason and executed. Not because he preached the Gospel but because he was guilty in a plot to have the German Chancellor assassinated.

Bonhoeffer associated himself with too many nasty anti-whites to be admired by anyone who claims to have a love for race, family, faith and homeland. A wolf may appear as a sheep, but it can't transition - it is still a wolf! END

Dr. Fields is such a great and wonderful man. There are few like him. I am really glad that he gave you my name and address. I have heard of you many times over the years, but never took the time to get on your mailing list. Dumb me! The Torch is wonderful, informative but also uplifting and encouraging.
