

The Torch

“Thy word is a torch unto my feet, and a light unto my path.” Psalms 119:105

By Rev. Thomas A Robb

Have you ever started on a project, maybe it is something you wanted to do for a long time. And then after you started you said this is harder to do than I thought.

So you quit!

That happens a lot with people who are going to start a diet or an exercise program. Soon, they decide it is too hard so they quit. Perhaps they hear someone playing a beautiful song on the piano and they want to do that also. But the lessons, and the practice seem too hard.

A Tribute to Mothers

May 12, 2024

Writing a tribute to our mothers is not so simple. The reason is, sadly there are many who did not really have a mother that was kind, compassionate and loving.

Yet, in the whole, our mothers have often stood strong when facing great adversity.

Their tenacity in building this nation was incredible. We hear about how the west was won by the men who daringly blazed their way across the frontier. But it could be argued that the real winning of the west was when mothers brought their families and built schools, churches and established the grace and charm of a cultured people.

It was these Christian mothers who gathered their children within their embracing arms and taught them the Ten Commandments and the Lord's Prayer.

Our father which art in heaven

Hallowed be thy name . . .

They graced the family home. Prayed by the bedside of their children and stood as a rock along side her husband as he struggled to build a nation, safe and secure.

The simplest farm woman with calloused hands is more worthy of praise and honor than any politician or preacher “dancing” across our TV screens. END

Bang/Bang Sticks

By Pastor Thomas A Robb

Each year the Christian Revival Center has a “Bring Your Gun to Church Day.”

Guns, of course, have moral neutrality. There is no such thing as a bad gun or a good gun.

A gun is completely the servant of the individual holding it. He or she alone determines how a gun is used.

In America, the first conflict between white settlers with American Indians was probably not a fair fight. The Indians had very crude bows and arrows against muskets.

The only thing the Indians understood was that these white folks were holding sticks in their hands that went “Bang, Bang.”

Bang bang sticks was a relatively new weapon, certainly nothing like the high powered AR15s of today. But in that day they were certainly respected, even though it took an estimated 3 minutes to reload.

The first encounter with Indians came about according to the colonial governor, William Bradford was when the pilgrims were attacked with a “great and strange cry” as arrows began flying around them. The pilgrims had to scramble to gather their weapons, returning fire, causing the

The pilgrim Bang Bang sticks

Indians to scatter.

No one was killed, as the Indians fled as soon as they heard the bang bang.

However, it is suggested that though the Indians bows and arrows were crude, they could shoot them more rapidly than the Pilgrims could reload. If that is the case then perhaps it would have been the Indians who would have been the master of the battle instead of the Pilgrims.

There are some people who don't like guns. They think the gun is going to jump out of the closet (like a flaming sodomite) and start shooting innocent people.

I don't want to call those people stupid!

Wait a minute. Yes I do!

Guns have done much harm in the hands of evil people - but they have also done much good in the hands of good people!

Guns helped to secure our national liberties. Guns were considered so important that possessing one was understood to be a fundamental

Come visit US!

Whether you live on the East Coast, West Coast or somewhere in-between, the next time you visit the area you are welcome to attend the Sunday morning church service at the Christian Revival Center.

And OF COURSE,

if you live in Boone County or nearby you are encouraged to visit the Christian Revival Center on a regular basis. The Christian Revival Center is not TRANS or LGBTQ friendly. We believe in the old time values, the Lordship of Jesus Christ, the Blood atonement and embrace the covenant God made with our forefathers. We have many subscribers in Northwest Arkansas and each of you are welcome to come visit.

If you are concerned about the growing anti-white agenda promoted by WOKEISM, then this is the church for you and your family.

The congregation of the Christian Revival Center would like for you to come and visit us for church. We meet each Sunday morning at 11 am. On the first Sunday of the month we meet for fellowship and potluck.

EDITORIAL BRIEFS

Bet You Didn't Know This?

An article from LGBTQNation - appearing on the internet (April 13) titled *Trans People are Magic* says.

"There is a certain magic among trans people simply existing. Just our presence, our reluctance to conform to the constructs around gender that have been instilled in all of us since birth is powerful.

Trans people offer everyone a certain freedom, a permission to exist authentically and embrace all of the innate elements that make us human."

MAGIC? I wonder if they can make themselves disappear?

Dolly Parton Must be Racist

You probably never thought of Dolly being a white racist. And I am sure she would deny it until her voice was raw.

However she cannot escape the words she wrote in her hit song *Jolene*. In this song she describes a woman whose beauty is "beyond compare." And the description of this beautiful woman is that of a white woman. She has Auburn hair, Ivory Skin and Green Eyes.

Auburn hair is actually a shade of red hair and it is almost an exclusive trait of white people. Can Negroes have auburn hair? Well, yes. Auburn hair for Negroes can be purchased at:

www.unice.com. Actually there are rare occasions in which a Negro will have "red" hair. In the autobiography of Malcolm X he described his hair as being "red." But remember *Jolene* also has "Ivory skin" and green eyes!

Next is a Negro with faux auburn hair however I hardly think Dolly would have described her

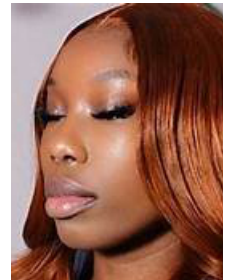

having a "beauty beyond compare."

She certainly doesn't have ivory skin and I am pretty sure she doesn't have green eyes. No, I don't think she is what Dolly was talking about when she said "beauty beyond compare."

But I may be wrong. What do you think?

Anyway here is the song and you can also listen to it on You Tube.

[Chorus]
Jolene, Jolene, Jolene, Jolene
I'm beggin' of you, please don't
take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

[Verse 1]
Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green
Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you, Jolene

[Verse 2]
He talks about you in his sleep
And there's nothin' I can do to keep
From cryin' when he calls your name, Jolene
And I can easily understand
How you could easily take my man
But you don't know what he means to me, Jolene

[Chorus]
Jolene, Jolene, Jolene, Jolene
I'm begging of you, please don't take my man

Don't Quit from page 1

So they quit.

Brian who often comes here to play the piano has an amazing acumen at the piano. But it just didn't happen - he worked hard for years to develop his skill to that level. But some don't have the patience.

So they quit.

Maybe someone wants to be able to produce a beautiful painting - but after a few lessons decided that they weren't good enough.

So they quit.

People have all kinds of dreams of things they want to be or things they want to do - but they give up - it was too hard.

So they quit.

They quit music lessons, they quit art lessons, they quit exercise, they quit swimming classes. Maybe they want to be a chef but they quit culinary school. Maybe they want to win a marathon, but they quit that too. Maybe they want to sing - maybe they even have the talent - but stage fright makes them quit that also.

Every thing you want to do is going to take work. As they say it takes work to swim up stream - the only thing floating down stream are the dead fish.

Nobody wants to be known as a quitter. But quitting isn't always bad. Many times it is just understanding your priorities. For example suppose you want to play the piano, paint a portrait, run a marathon, sing opera, learn to dance, win a fishing tournament, be a prize winning chef, and travel around the world - *and in your spare time* you want to build your own home and learn how to do wood and stone carvings.

I think there is a good chance you won't be able to do all of these things so you begin to prioritize what is important.

So you will have to quit some things so you can give more attention to other things which are more important.

So how do you prioritize?

You begin by understanding your values. The apostle Paul says in 1 Corinthians 6:19-20 that your life doesn't belong to you - *you were bought with a price - it was purchased by the blood of Jesus Christ.* In other words your life is not your own. We think it is. But as Christians we understand we were purchased by the blood of Jesus Christ.

We belong to him!

1 John 3:1 "Behold what manner of love the Father has bestowed on us, that we should be called children of God!"

So if we understand we belong to the Lord - what then? Paul says we are to give ourselves as a sacrifice to the Lord.

Romans 12 "I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. 2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God."

So with that we then look at all the things we want to do and evaluate them and then consider if that thing we want to do can be used for the service of the Lord, or perhaps the income from the career we chose is dedicated to the Lord.

I suppose we could give a whole sermon - probably several sermons on what does it mean to serve the Lord. But today I will be brief. We are called to Love our God and Love our People.

So service to the Lord is allowing our selves to be used to bring revival to our people. We are the children of that wonderful covenant God made with Abraham and Sarah.

This covenant is so important that Luke 1:72 it says remembering the covenant was the reason God took on flesh - Emanuel - God with us.

So First, understand who you are by **understanding your desires and values and adjusting them to your priorities.** When examining our prioritize we ask ourselves, "*Can this endeavor serve the Lord?*" Now don't misunderstand what I am saying - God wants you to enjoy life and having a well

Dear Pastor Robb:

"Things" in America look really bleak on the outside, through the lens of our Enemy's "mainstream media." But the real condition of "Things" is that it is The ENEMY who is in inexorable slide into oblivion, into abject defeat - and to use their words, "Replacement!" Our grouchy old Pastor Hogan from my childhood Church of the Sacred Heart, would bellow from the pulpit: "Our God Will Not Be Mocked!"

Greetings:

Hope all is well there. I recently discovered your Christian Revival Center on You Tube and I really like and agree with your message. You are discussing important topics that I have been trying to draw attention to, but most do not want to talk about them, are afraid, don't care, or they have been brainwashed to accept the Satanic perversion surrounding us today.

Minnesota is a sea of Wokeness and liberal tyranny. I have prayed to be shown a safe area of the country to relocate and I was guided to the Ozarks. I am looking for a small town or area that is secluded and has good decent people who would welcome me.

Please send me any information that you may have on your church or the area. Thank you. Blessings to you all.

Be a MISSIONARY! For White Christian Revival! Order tracts for distribution!

Has God Removed His blessings from America

It certainly seems so. We hear of inflation, illegal aliens, anti-white Critical Race Theory (CRT), weakened economy and the confusion some have in determining how to tell the difference between a boy and a girl.

We are told that these are the problems Americans face. But these are not the problems!

They are the curses we face for turning against God.

Easy Math

Some say there are only 15 million (only!) illegal migrants in America. But others say there are as many as 30 million illegal migrants.

The US has a population of 332 million.

If there are 15 million migrants that would mean one out of every 22 people you see on the streets are here illegally.

If the newer figures are accurate that would mean one out of every 11 people you see on the streets are here illegally.

Welcome Migrants!

Welcome to America!

The 3rd World invasion!

America is being invaded!

And America is changing. The change is not good, and the children.

If you think we are having trouble with these "minorities" people just wait until these "minorities" become the majority!

What will your children do? THAT is why we need Jesus!

100 for only \$25

We need these tracts distributed by the thousands throughout the country. There are many people being sucked up into the **One World Church**. The One World Church has hijacked our very best nature - a nature of compassion - and have twisted it to take us to a very dark place that ends up in White Genocide. The One World Church is guilty of making evil "good" and good "evil."

These tracts can be left on counter tops, in stores, or rest rooms. **They are small and can be easily distributed without attracting attention to your self.** You can also simply mail a few out each week. You can order 50 of each for the same price.

The price includes postage, but if you are able to send a couple extra dollars to help on postage that would be helpful. The tract offers a free DVD to those who wish more information. Your tithe and contribution to the Church will help toward the production and mailing of these DVDs.

DON'T QUIT from page 6

rounded enjoyable life will help you to focus on the greater priority of serving the Lord.

So time on the lake, hiking up a mountain trail, learning wood carving or playing video games with your kids, etc. can all be valuable to help keep your balance - **just don't forget your priority. We are to serve our God and serving God is focusing on loving our people.** That is why Jesus told Peter (John 21) "Feed my sheep."

Feeding the sheep is not winning the Bible trivia contest, observing the "right" dates, or keeping the "right" church rituals - the test is FEEDING THE SHEEP. And we are reminded in Scripture over and over again that the Sheep is always a reference to Israel.

Now I am aware that the Bible doesn't used the description WHITE RACE for Israel, but that is still

who Israel or the sheep were. Jesus said if you love me - then feed my people. We know of the judgment and punishment God placed on the people of Israel and how they were driven from their land and migrated northward across the Caucasus mountains becoming the nations of Europe.

So if we are bought by the blood of Jesus Christ If we are the temple of the Lord, and if we have given our body to him for his service then what is our priority.

Serve God and Feed the Sheep

Our priority is to awaken the spirit of our people,

This is a priority we cannot quit - it is a priority that should dominate our lives. It doesn't mean we can't do other things that are enjoyable - just as long as we remember and pursue our priority. In fact Solomon says to young people (and I think it would apply to old people as well)

See Don't Quit page 9

DON'T QUIT from page 8

Ecclesiastes 11:9 - You who are young, be happy while you are young, and let your heart give you joy in the days of your youth. Follow the ways of your heart and whatever your eyes see, but know that for all these things God will bring you into judgment.

We are being told *Enjoy Life*, but remember someday you will stand before the Lord for judgment - *so be careful how you live.*

We have seen many people who are concerned about the growing hatred being directed against our people and want to be used of God to bring about White Christian Revival.

If that is you then understand this You may quit the marathon, culinary school, learning to ski, the soccer team - debating team, the bowling team - *but don't quit this team.*

Many times people come to realize we can't do this on our own We need Jesus - We need the Shepherd. They recite what they call the sinners prayer. Then the preacher will announce - if you said that prayer - then you were saved.

I am not so sure. Now don't get me wrong, there often comes a turning point in people's lives - there is a pivotable moment when they have to face some harsh realities. So they make the decision to follow Jesus. **But making a decision to follow Jesus and FOLLOWING Jesus are two different things.**

Christ said John 8:31 "If ye **continue** in my word, then are ye my disciples indeed."

In other words you **say** you are going to join the team - but the cares of the world get in your way and you quit the team. That is what Jesus was asking Peter. John 6 records that some of the followers of Jesus left him and Jesus asked the remaining twelve, "*Do you also want to go away?*" However Simon Peter answered Him, "*Lord, to whom shall we go? You have the words of eternal life.*"

God has called you to be on His team in this crusade for White Christian Revival. **Don't quit the**

team - We are in the battle against the Satanic Rebellion - God has called you to be a soldier against those who are working to genocide our people.

If you quit the team, where will you go? If we quit the team, who will we serve?

Should we join the rebellion? Should we invite the demons of hell to sodomize our children, to mutilate our boys and girls and poison the blood of our people? Our answer needs to be the answer Peter gave - where can we go - who else can offer life to our people?

The Crusade for White Christian Revival is one team you don't want to quit

Here are some things you need to do to make sure you stay on the team.

You need to stay connected. In this present evil world that can be hard to do. But for your own spiritual strength that is something you need to do. I cannot stress how important this is, especially if you have children.

For some of you it took almost your entire lifetime to figure this

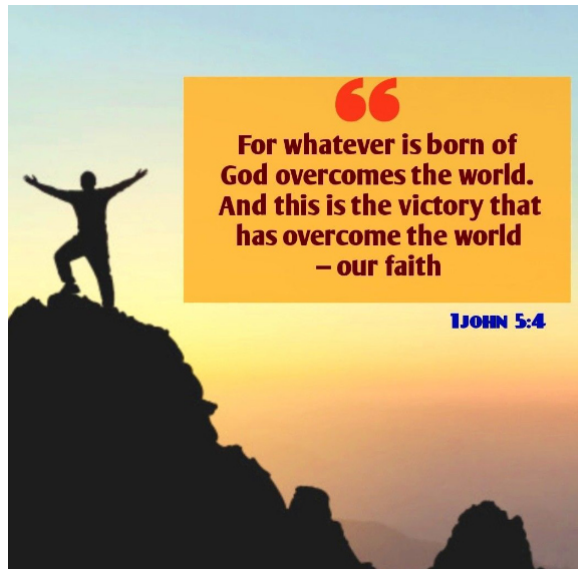

out. Many people around you still haven't. If you have kids still at home then you need to get them involved when they are under your watch and their lives are still developing. Don't let them try to figure it out on their own. Most will not.

If you live within driving distance of a church that is aware of the world's attempt to genocide white people, and warns the congregation how important it is to maintain our racial integrity, then you and your family need to be in that church every week. Your kids need to know that this is important. If it is too far to be in attendance each week, then plan your connection every two weeks, or if still too far then once a month. For some once every other month. I have written about this before. I cannot stress how important this is.

Actually most people don't quit - they just slowly disengage until they are again part of the world.

They don't even realize it is happening!

**BE CAREFUL THAT IT
DOESN'T HAPPEN TO
YOU!** END

BANG! BANG! From page 2

or God given rights.

Sometimes people make the mistake and say, “The second amendment (of the constitution) gives us the right to own guns!”

But that is not true! Our U.S. Constitution does not give us the right to own guns, nor does it give us the right to speech or religion. The constitution PROTECTS the rights which we possess as free men. What the constitution is telling us is that the government does not have the power to deprive these rights as they are fundamental to a free people - they are given from God!

I know someone will claim, “But guns kill people!”

Indeed they do!

What good would they be if they didn't kill people.

We have the God given responsibility to protect ourselves and our loved ones.

The forth stanza of the *Star Spangled Banner* says:

*“O thus be it ever when freemen shall stand
Between their lov'd home and the war's
desolation!*

*Blest with vict'ry and peace may the heav'n
rescued land*

*Praise the power that hath made and preserv'd
us a nation!*

*Then conquer we must, when our cause it is just,
And this be our motto - "In God is our trust,"*

But Jesus says not to kill people!

Actually Jesus told his disciples to go and buy a sword. I know someone will say - “The Bible is the sword of the Lord, that is what Jesus was talking about.”

No he wasn't. He wasn't saying “Hey guys go to the Bible book store and buy a Bible.” He was telling them to buy some *protection*. They didn't have Glocks or AR 15s in those days. But if they did, I am sure he would have suggested those instead of a sword. He probably would have also told them to make sure they get enough ammo. After all, don't you think he was concerned about the safety of his followers.

Late 19th century Jewish Zionist, Bernard Lazare revealed the hatred of the Jews against Christians in his book, *Antisemitism*.

“In some places where the struggle between the Jews and the Christians had reached an acute stage the Jews, recognized by Roman legislation and possessed of vested right, would join the citizens of the towns in dragging the Christians before the courts.”

When we are told in the Ten Commandments not to kill, the Hebrew word for kill (ratsach) means not to commit murder.

Also I know Jesus said (Matt 26): “Those who live by the sword will die by the sword.” But be aware that there are **two** swords mentioned here by Jesus. One sword is being used by an evil individual for an evil intent. The other sword is the sword of justice to stop the evil.

Of course, this is the reason why this anti-Christian government want to take away our God given rights. It seeks to corrupt our foundational principals and replace it with their godless system of “justice.”

But we are told in Psalms that God is in the heavens laughing at their puny “power.” People without faith, are living in fear for what they see coming upon the nation. People without faith think that the enemies of all that is good and noble, the promoters of evil and agents of the Satanic rebellion are ascending into power. But according to the Bible it is **they** and the whole anti-Christian Babylonian power that will fall. We are told it will fall quickly - “in one hour.”

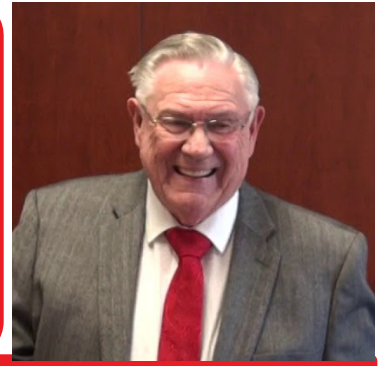

And as we walk through this dark valley we are told the rod and the staff of the Lord will comfort us (Psa 23).

2 Timothy 1:7 tells us, “We are not given the spirit of fear, but of power, love and a sound mind.”

Our guns are a tangible, assurance that God has not forsaken us. That our rights, which come from him and not from some government bureaucrat is our responsibility to preserve. Of course we can't claim the victory without His aid.

But we are required to engage in the struggle, just as Noah struggled to build the ark. Certainly God could have delivered him from his need to struggle. But the struggle is the proof of faith. END
