In Isaiah 14 we read about the Satanic Rebellion. Focusing on the 14<sup>th</sup> verse it says,

*“I will ascend above the heights of the clouds, I will be like the Most High.”*

When reading this passage people often think that Satan is jealous of God. So he rebels. We are told it is because Satan wants the attention and the glory. However, I don't think it is about jealousy. Satan doesn't care about being the center of attention. He doesn't even care who you “worship.” Satan wants to become the chief law giver, establishing his own laws and

conduct - of right and wrong. Because it really isn't about who you think you are worshiping - it's about who you are obeying.

*“Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?”*

By altering the law of the Lord he corrupts the whole world.

In fact, EVERYTHING Satan touches becomes corrupted and ugly. It is like the fairy tale of King Midas. His wish was

See **DOMINION & POWER** page 2

## DOMINION & POWER from page 1

granted that every thing he touched would turn to gold. He was excited at first. But when he got hungry his sandwich turned to gold, when he tried to drink water - the water turned to gold and when his daughter came to comfort him - she turned to gold the moment he put his arms around her. The thing he thought was beautiful was now ugly.

So it is with Satan - Every thing he touches turns ugly.

For example I read the other day there are 15 fairy tails that we thought were beautiful has now been turned ugly because according to Sodomites they all have underlining LGBTQ themes.

**For example:**

### Sleeping Beauty

In this child's fairy tale (according to these sexual perverts) *"the princess's awakening with a kiss is a metaphor for discovering one's sexual or gender identity, breaking free from the spell of conformity. It's a story of awakening in more ways than one."*

### Cinderella

And they have also made the story of Cinderella ugly claiming, *"Cinderella's dramatic transformation is more than magic—it's about finding and embracing one's true self, a powerful metaphor for coming out. Her glass slipper fits perfectly, just as we all seek to fit in our true identity."*

**He, along with our sin nature will corrupt every good thing that God has created.**

Satan is darkness, he might appear as an angel of light, but he is not. He ensnares people - traps people - and will entice people with a lie. We read in John 8:44 that Satan is a liar, He is the father of all lies and there is no truth in him.

The Satanic rebellion has produced a sewer and this sewer is being dumped on us every day and we are suppose to like it. It's nasty and stinks. Some live in the sewer and they like it. This sewer is on our televisions, movie houses, libraries, schools, universities and churches.

**So we cannot expect anything good coming from Satan.** Jesus said an evil tree cannot produce

good fruit. The influence of the Satanic rebellion will destroy everything in the natural world and everything in the spiritual world. In the Satanic world everything that is good and beautiful is called evil and ugly. And everything that is evil and ugly is now being called good and beautiful. In fact to them it really is good and beautiful, sexual freaks are good, courageous and beautiful Christian morals and values are called evil and oppressive.

Natural men and natural women are transitioned into fake men and fake women and we are told that it is good. Like the examples George Orwell put in his book *1984* - everything is twisted, backwards and upside down. He described how the propaganda coming from the Ministry of Truth rewrites history, changes dates, and remove monuments. It was able to convince people that - *'War is Peace, Freedom is Slavery, Ignorance is Strength.'*

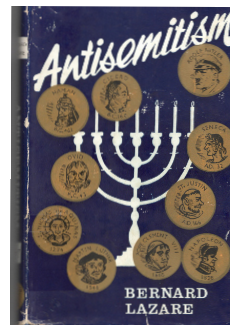

**The purpose of the Satanic rebellion is to alter every thing in society, from politics, education, industry, morals, values and culture.**

It is exactly what Geroge Orwell describes in his book, *1984* as the mission of Big Brother *"is in tearing human minds to pieces and putting them together again in new shapes of your own choosing."*

This is exactly what we see happening about us every day. But this corruption has been developing a long time. In 1894 Bernard Lazare, (left) an early Zionist and a prominent member of the International Zionist Congress wrote in his book *Antisemitism* that anti-Semites identify the Jewish world view with the following words. *"He is not content merely*

*to destroy Christianity, but he preaches the gospel of Judaism; he not assails the Catholic or the Protestant faith, but he incites to unbelief, and then imposes on those whose faith he undermined his own conception of the world, or morality and of life. He is engaged in his historic mission, the annihilation of the religion of Christ."*

Then he follows it with his own admission by stating, *"nor will the world know happiness until it be brought under the universal domination of*

When Mother's Day rolls around we all think of giving, flowers, a box of chocolates and of course a Mother's Day Card.

But Dad doesn't necessarily want flowers, (however a thoughtful father would accept the flowers with grace and gratitude if that is what is given him).

A recent survey I read on the internet gave this following list of things fathers wanted for Father's Day. It is interesting, that the first thing listed for Dads and Moms was the same thing.

The first one reminded me of a phone call I had a couple of years ago with a gentlemen back east. I had called him to thank him for a recent contribution he made to the church, but as often happens we talked about other things. One of the things he told me was simple and sad. *"I wish my kids would come and see me."* Remember, as moms and dads get older they just want to see their kids. Consider, as often is the case, the manner in which you treat your parents is how you

will be treated by your kids when you get older. Ignore your parents and most likely your children will ignore you.

But back to the survey. Here are the top 10 things fathers want in order of importance.

- Phone call from my kid(s)
- A big juicy steak
- Peace and quiet
- Taking in a ball game with the family
- An ice cold beer or two
- A cheaper, practical gift (socks, tie, etc.)
- Glass of wine
- Watch whatever I want on TV
- Glass of whiskey
- A physical, expensive gift (apple watch, etc.)

But I am going to suggest better gifts that won't cost you any money and will give greater pleasure to your mom and dad than anything listed above.

It will be in becoming the kind of person that

# Come Visit us!

Whether you live on the East Coast, West Coast or somewhere in-between, the next time you visit the area you are welcome to attend the Sunday morning church service at the Christian Revival Center.

## And OF COURSE,

if you live in Boone County or nearby you are encouraged to visit the Christian Revival Center on a regular basis. The Christian Revival Center is not TRANS or LGBTQ friendly. We believe in the old time values, the Lordship of Jesus Christ, the Blood atonement and embrace the covenant God made with our forefathers. We have many subscribers in Northwest Arkansas and each of you are welcome to come visit.

If you are concerned about the growing anti-white agenda promoted by WOKEISM, then this is the church for you and your family.

The congregation of the Christian Revival Center would like for you to come and visit us for church. We meet each Sunday morning at 11 am. On the first Sunday of the month we meet for fellowship and potluck.

will make them proud as you develop into a man or woman of faith, courage, discipline

When people ask me if I could have anything I wanted, what would I choose. I tell them the thing I want most of all is for all my children and my children's children to love and serve the Lord.

I am sure you have all heard - *"Life is God's gift to you - what you do with your life is your gift to God."*

To be the kind of person that will make our mom and dad proud will take a lifetime. It is steady growth.

In school we move from one level to another until we finish high school. And then we graduate.

But in our lives we never graduate. It is a life time of learning, understanding, perseverance, sadness, broken dreams, and then starting over and learning again.

## You NEVER graduate from your school of life

# EDITORIAL BRIEFS

## Kristi Noem's dog-killing embodies the cruel phoneyess of today's Republicans

The above headline was from *The Guardian*, (May 1, 2024) by brain anemic author Ryan Busse.

The opening paragraph stated, "After South Dakota's Republican governor, Kristi Noem, proudly admitted in a forthcoming memoir to marching her young puppy Cricket to a gravel pit to kill her with a shotgun, she rationalized the despicable act by arguing that Cricket had been aggressive."

Maybe Ryan thinks she should have waited until the dog ripped his face off.

This attempt to claim moral superiority comes from those who think killing an unborn baby or mutilating little children is a good thing.

## Federal Regulation Allow TransMonster Freaks to Play in Girl Sports

Title IX is a federal regulation that was enacted in 1972. Supposedly it was created to prevent school sports from being dominated by male athletes.

However, new regulation coming down from the Department of Education chief, Miguel Cardona is designed to allow male athletes, who are pretending to be girls, to violently attack and injure girl athletes. According to Cardona, "These final regulations build on the legacy of Title IX by clarifying that all our nation's students can access

*schools that are safe, welcoming, and respect their rights,"*

Of course there is nothing safe about a girl playing, especially contact sports, against a man.

Governor Jim Pillen of Nebraska has joined others in stating the Nebraska will not comply with the new regulation. "Protecting our kids and women's athletics is my duty," according to Governor Pillen "The president's new rules threaten the safety of women and their right to participate in women's sports. Nebraska will not comply."

There are currently eight states who are refusing to comply with this draconian regulation which is to take effect in August. States who say they will not comply are: Nebraska, Florida, Arkansas, Louisiana, Wyoming, South Carolina and Oklahoma.

## Trans Women

I get tired of the media and even many conservatives calling these male freaks transwomen. They are not women, it doesn't make any difference of what they want to pretend they are. Boys are boys and girls are girls - no one transitions into the other gender.

But if they really believe people become what they pretend to become, perhaps I will start calling myself a TransHolocaust Survivor and demand reparations. If anyone dares to question me about it I will simply claim they are anti-Semitic.

and the most important lesson in life is the ability to choose the right friends. It's avoiding the wrong crowd. However doing that can be difficult because to a young person, it seems like the wrong crowd is having all the fun.

We don't see the red flags because we are having too much fun. Younger kids - young teens - can be easily influence by older teens because they want to fit in with an older crowd. The Red flags are not always obvious. And they don't always like the counsel an older person may be giving them. After all, it seems like they are talking "smack" about their friends.

Let's look at a few Bible verses and see what counsel they give us.

1) Proverbs 27:17 "Iron sharpeneth iron; so a man sharpeneth the countenance of his friend."

Whether it be good or whether it be bad, we are shaped by those we keep company with.

2) Proverbs 1:10 "My son, if sinners entice thee, consent thou not."

Well that should be an obvious red flag. I guess that's what Jesus said in the Lord's prayer - "Lead me not into temptation." Hanging with the wrong crowd will be a gateway into temptation. We should have this prayer on our lips everyday!

Proverbs 19:20 "Hear counsel, and receive instruction, that thou mayest be wise in thy latter end."

We won't hear good counsel from the wrong crowd.

Proverbs 13:20 "He that walketh with wise men shall be wise: but a companion of fools shall be destroyed."

It could mean trouble for you if you can't figure our what this one means.

Proverbs 14:7 "Go from the presence of a foolish man, when thou perceivest not in him the lips of knowledge."

For some this can be extremely had to do. Most of those people you see on "the streets" didn't walk away from fools, because it looked like the fools were having too much fun. The fools were

their buddies. By the time they awaken from their slippery slope - they became fools also.

As people enter the *Christian Revival Center* they will see four words over the entrance in the foyer. They are *Loyalty, Honor, Courage and Duty*.

Developing those four attributes is the best gift a child can give his or her mom and dad.

But consider this is the gift we are give to **all our fathers (and mothers) for a thousand generations of those who came before us.**

We are told in the 5<sup>th</sup> commandment "*Honor thy father and thy mother: that thy days may be long upon the land.*"

Here are the gifts to give to all our moms and dads who have gone on before us. They are in the grandstands cheering us on! *The Living Bible Translation* - Heb 12:1.

### Honor

To do the right thing, especially when it's difficult, and to act with integrity and without compromise.

*Becoming a person of Honor is a gift we can give all our moms and dads going back a thousand generations.*

### Courage

The strength to face adversity and danger, not just on the battlefield, but in life's everyday battles doing what is necessary?

*Becoming a person of courage is a gift we can give all our moms and dads going back a thousand generations.*

### Integrity

Integrity is the moral compass God grants to us when reading and taking counsel from the Bible. This compass guides us away from difficult indecision and helps to see clearly the difference between right and wrong.

*Becoming a person of Integrity is a gift we can give all our moms and dads going back a thousand generations.*

### Humility

The ability to understand that your self-importance is only in your head - that it is the

See **GIFTS FOR OUR MOMS AND DADS** page 7

## **GIFTS FOR OUR MOM SAND DADS from page 6**

grace of the Lord that gives your life value!

***Becoming a person of humility is a gift we can give all our moms and dads going back a thousand generations.***

### **Responsibility**

Understanding and accepting our personal responsibility? When we mess up - we don't blame others. Often times people blame Satan for their sin. Don't blame others - don't blame Satan. You sin because **you** are a sinner. Only Jesus can help free you from sin. Accept your personal responsibility and ask for forgiveness. 1 John 1:9 *"If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."*

***Becoming a person who accepts his or her personal responsibility is a gift we can give all our moms and dads going back a thousand generations.***

### **Loyalty**

Unswerving allegiance and support to a righteous cause. Of course, this comes from being with the right crowd and not the wrong crowd.

***Becoming a person of loyalty is a gift we can give all our moms and dads going back a thousand generations.***

### **Perseverance**

It is the pursuit of a worth while goal. It is not allowing obstacles or setbacks to stop us regardless the difficulty. It is faithfully serving the Lord and not becoming shameful if someone calls you a racist.

***Becoming a person of Perseverance is a gift we can give all our moms and dads going back a thousand generations.***

### **Stoicism**

Is the quiet strength when enduring pain or hardships - it is what the Apostle Paul identified as having self control and a sound or disciplined mind, 2 Tim 1:7. In today's world we have kids who whine for no other reason then to get attention. A person with Stoicism is not seeking attention but self-discipline.

***Becoming a person with stoicism is a gift we***

***can give all our moms and dads going back a thousand generations.***

### **Dignity**

The quality or state of being worthy, honored, or esteemed. We should always strive to keep our Christian dignity in how we talk, our manner of speech, and our conduct. We will, of course fail, but we should always strive to live a life that mirrors the life of Jesus Christ.

***Becoming a person with dignity is a gift we can give all our moms and dads going back a thousand generations.***

### **Generosity**

Being generous is a sign of a gentleman or a lady. It is a sign of kindness and humility.

***Becoming a generous person is a gift we can give all our moms and dads going back a thousand generations.***

### **Wisdom**

Wisdom is something you don't learn in a classroom. You can learn knowledge - but not wisdom. Wisdom and sound judgment comes from the Lord. Those who seek wisdom from the Lord will not be turned away. A wise man, woman or child will patiently listen to sound wisdom given from a Godly man or woman.

***Becoming a person of wisdom is a gift we can give all our moms and dads going back a thousand generations.***

### **Racial Loyalty**

Is found in the 5<sup>th</sup> commandment, to Honor your father and mother. It is the only commandment that comes with a promise - *"that thy days may be long upon the land."* When people embrace sodomy and miscegenation they are violating this commandment of honoring their mothers and fathers.

***Becoming a person that displays Racial Loyalty is a gift we can give all our moms and dads going back a thousand generations.***

It will insure that our days will be long upon the land the Lord has given us.

God expects the very best from you - we must we willing to give it!

*"Trust in the Lord with all your heart . . . And He shall direct your path."* Prov 3:5. **END**

# Be a MISSIONARY! For White Christian Revival! Order tracts for distribution!

Has God Removed His blessings from America

It certainly seems so. We hear of inflation, illegal aliens, anti-white Critical Race Theory (CRT), weakened economy and the confusion some have in determining how to tell the difference between a boy and a girl.

We are told that these are the problems Americans face.

But these are not the problems!

They are the curses we face for turning against God.

Easy Math

Some say there are only 15 million (only!) illegal migrants in America. But others say there are as many as 30 million illegal migrants.

The US has a population of 332 million.

If there are 15 million migrants that would mean one out of every 22 people you see on the streets are here illegally.

If the newer figures are accurate that would mean one out of every 11 people you see on the streets are here illegally.

Welcome Migrants!

Welcome to America!

The 3rd World invasion!

America is being invaded!

And America is changing. The change is not good, and the change it is not good for your children.

If you think we are having trouble with these "minorities" people just wait until these "minority" people become the majority! What will your children do?

THAT is why we need Jesus!

## 100 for only \$25

We need these tracts distributed by the thousands throughout the country. There are many people being sucked up into the **One World Church**. The One World Church has hijacked our very best nature - a nature of compassion - and have twisted it to take us to a very dark place that ends up in White Genocide. The One World Church is guilty of making evil "good" and good "evil."

These tracts can be left on counter tops, in stores, or rest rooms. **They are small and can be easily distributed without attracting attention to your self.** You can also simply mail a few out each week. You can order 50 of each for the same price.

The price includes postage, but if you are able to send a couple extra dollars to help on postage that would be helpful. The tract offers a free DVD to those who wish more information. Your tithe and contribution to the Church will help toward the production and mailing of these DVDs.

# The Gospel is Strong / The Preachers are Weak!

I know of no place in Scripture where God tells the bankers to send a warning to the nation. I know of no place where God tells business leaders, "Go forth and tell my people to repent." I think you could search the Scriptures the rest of your life and no where will you ever find God telling the media to proclaim the Gospel.

And you know why he didn't tell them or any of the others to preach a message of repentance? Because it isn't their job. It is the preachers who are called to give warning to the nation and the preachers have been a miserable failure.

God says in 58:1, "Cry aloud, spare not, lift up thy voice like a trumpet, and shew my people their transgressions, and the house of Jacob their sins."

It isn't the because the Gospel has become weak, it is because those who have been called to

preach the Gospel have become weak.

Ezekiel 3:17 "Son of man, I have made thee a watchman unto the house of Israel: therefore hear the word at my mouth and give them warning from me."

Today our nation is in chaos, Aliens (both legal and illegal) invade our homeland to steal our inheritance. Sodomites and trans freaks are knocking down the door of our moral sensitivities. Our children are being sexually mutilated, while others are encouraged to destroy their racial inheritance. The unborn are sacrificed at the altar of Baal. Our schools are tools of anti-American globalists, and our churches have become the gateway to the one world church.

And in the midst of all this the vast majority of our preachers say and do nothing! **END**

## Dominion & Power from page 2

*the Jews.”*

**We are in a day when the whole world has become vile and corrupt.** It appears our faith has been rooted out of a whole generation. In April 13, 2009 Newsweek Magazine boasted in their cross-shaped headline “*The Decline and Fall of Christian America*” Just like Lazarre said and just like George Orwell pointed out in 1984, our values, morals, history and culture has been ripped out of our hearts and then these things have been rearranged in to an image of their own choosing and design.

**We are surrounded by ugliness.**

This is the world we now live in!

*Psalms 82:5 “They do not know, nor do they understand; They walk about in darkness; All the foundations of the earth are unstable.”*

I think we can all agree - we live in an unstable world. Why did it become unstable and corrupt - I know it was sin - But the reason sin has been able to prevail is because **we have abandoned our Dominion Mandate.** When that happens and we fall under the influence of the strangers we have allowed to live among us, (Deut 28:43-44) they became the head and we became the tail.

Consider sin rules over us today - not because sin is strong - but because we have become weak.

In the Genesis account of creation we read about how God made the birds, fish, cattle, creeping things and the living creature, but then God created man Adam) and this man was to have

### DOMINION

Gen 1:27-28

*“So God created man in his own image, in the image of God created he them; male and female created he them. And God blessed them, and God said unto them, Be fruitful, and multiply, and*

*replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.”*

Of course we have to be brief in this article. Those who have already made a study of our Israel identity will understand the following. Those who have not will probably be confused.

I understand your confusion.

Adam was the father of the White Race. Adam is listed in Luke 3:38 as being the son of God. He was far different that other “men” who came before Adam.

Through Adam came Abraham, Issac and Jacob-Israel. And the Dominion Mandate was a part of that wonderful covenant God made with Abraham.

**This Dominion Mandate Was the first law given to the Adamic Race**

This mandate was then given again in - Gen 32:28 when God restated the Covenant first given to Abraham and Sarah, continued through Isaac and placed into the hands of Jacob when he changed his name to Israel. The

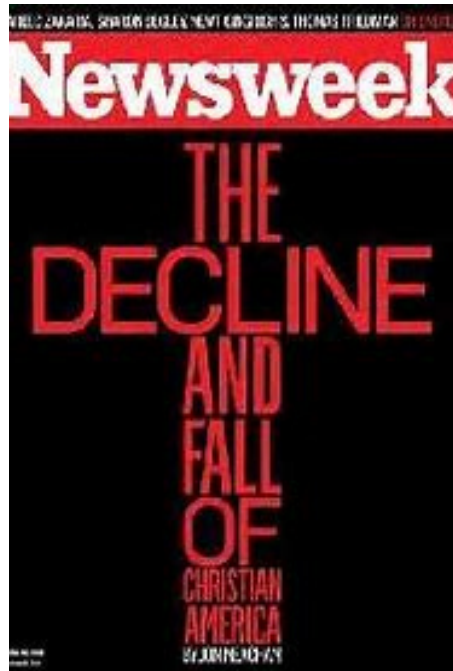

name then was applied to all the children of Jacob. The **name means:** to **rule** with God, to have **power** with God, to have **dominion** with God. We are to conquer and for the most part of our history - we were a conquering people, fulfilling the Dominion Mandate.

Like God told Joshua - Where ever you place your foot - you will conquer (have dominion) Joshua 1:3.

As you recall Moses sent spies in the land of Canaan - Num 13. This is the land God had given to His people. It was called the promised land. After an extensive survey of the land the spies returned. But ten were fearful and said: *“We can’t conquer this land - the people of the land are strong, they have strong fortified cities. Not only that but there are giants in the land and we are like little grasshopper - they will crush us!”*

But the people of Israel - the very ones whose

**See DOMINION & POWER page 10**

## Dominion & Power from page 9

name means to have power with God - became fearful - they believed the Fake News and were convinced they were not strong - and were afraid to embrace their POWER.

***But Joshua and Caleb they understood their dominion mandate*** - I can imagine Joshua and Caleb saying - *“What’s the matter with you people? Listen, we are the children of Abraham, We are the children of Isaac, We are the children of Jacob-Israel - he has given us the power to fight, he has given us the power to overcome, he has given us the power to conquer!*

But the people didn’t listen. Are we under this curse today because we do not claim our dominion mandate. Do we not understand or perhaps are even afraid to embrace this power given to our people.

2 Timothy 1:7 - *“For God has not given us the spirit of fear, but of power, love and a strong mind.”*

Too many of our people are fearful. But this fear didn’t come from God. As Christians, who understand our racial identity, that the white race are the children of this wonderful covenant given to Abraham, Sarah, and all their generation - it should embolden us

When God looks down from the heavens and looks at you what does he see?

I suppose there are many things that could be suggested. But I want to suggest that when God looks at you - ***He sees the covenant***. He sees a son or daughter of the Covenant He made with Abraham and Sarah. I suppose we are all a little fearful but I believe as pressure mounts God will raise up men and women who will embrace, and claim the power of the Dominion Mandate.

Perhaps these little children we are raising among our Covenant families will become the powerhouse of faith for a new generation!

Revelation 12:11 *“And they overcame him by the blood of the Lamb, and by the word of their*

*testimony; and they loved not their lives unto the death.”*

Dan 7:18 *“But the saints of the most High shall take the kingdom, and possess the kingdom for ever, even for ever and ever.”*

We all want to know how he is going to deliver us and when. I want you to know that God does his most amazing things in situations thought to be impossible. Even when we don’t see it God is working for our deliverance. Even when we don’t feel it, God has not forgotten the covenant. He is working out our deliverance, even though we do not understand when or how - HE IS WORKING OUT OUR DELIVERANCE.

Daniel 7:27 *“And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey him.*

Luke 10:19 *“Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.”*

1 Corinthians 4:20 *“For the kingdom of God is not in word, but in power.”*

Isaiah 40:29 *“He giveth power to the faint; and will increase the strength of those who are weak.*

God has given us power. He has placed in us this Dominion Mandate. As the sons and daughters of Abraham, Isaac and Jacob-Israel. Are we afraid to embrace our power?

Revelation 2:26 *“And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations.”*

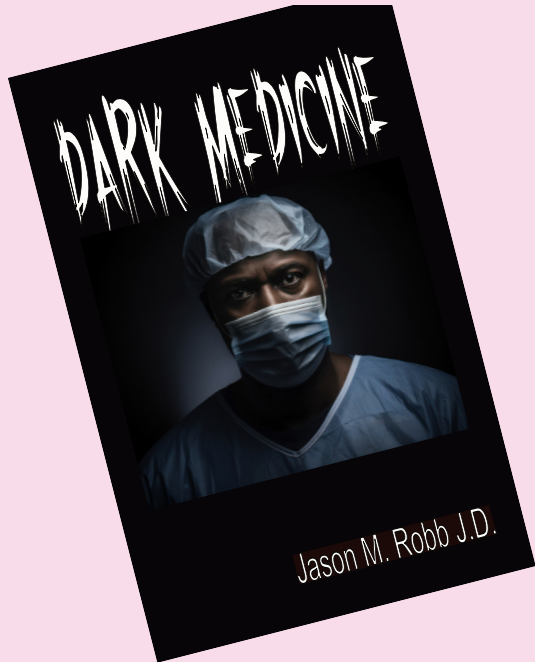

Some have reduced this promise to the simple phrase “white power.” This is the power of the Holy People - this power is our Dominion Mandate. May we never be ashamed to embrace it.

*“Our father which art in Heaven, hallowed be thy name. Thy Kingdom come, thy will be done in earth as it is in Heaven.”* END

We are needing to put spray foam insulation on the ceiling of the dinning hall. As our nation continues to unravel, the mission of this church becomes more and more demanding.
