STUFF

Do you own stuff or does stuff own you!

By Muriel L. Robb

Often we get earthly treasures and this leads to energy spent on keeping it safe and secure so as not to lose it. I know many folks who profess a love for Jesus Christ, who understand that wonderful covenant God made with Abraham and the special relationship God has with our people, BUT . . . emotion overwhelms reason as well as wisdom. They see the world going to “*hell in a hand basket*”

as my father used to say and unfortunately they sacrifice their future for so-called safety and security of a job that probably doesn’t love you as much as you love it. Of course we need jobs because it is what puts food on the table, a roof over our heads and clothes on our bodies. But then again we must make sure we have the job and the job doesn’t have us. You know it would be wise to

The Proof Is Overwhelming!

By Attorney Jason M. Robb

I have often been amazed with the wealth of information that confirms that our people, the white race, is descended from the “Lost” Tribes of Israel and at the same time, over the years I have heard people say there is no evidence that the white race is from Israel. It's as if they think people like me and others just make up this belief or we just conjure up an unsubstantiated idea out of thin air.

The historical evidence that the white race: the traditional Anglo-Saxon, Germanic, Scandinavian and racial kindred people of Europe are Israel is actually overwhelming. Even the *Scottish Declaration of Independence* officially called the Declaration of Arbroath of 1320 recognizes that the Scots were Israelites when it states: “*our nation of Scots has been graced with*

To the Democrats - this is weird!

Dare to be WEIRD!

By Pastor Kevyn Reid

It is a shame what is happening in American politics. It is nothing but an orchestrated stage play. All the players have their set lines, catch phrases and “words of the day” and they never deviate from the plot. Mainstream print media outlets, Hollywood, academia, late-night comedians and, of course, the television news media, especially, all appear to get a copy of the official script to make sure they tell you who the villains and heroes are in the production, and how the narrative should begin and end.

I am sure you, too, have noticed that words and phrases suddenly emerge from the mouth of allegedly non-affiliated news outlets almost in perfect unison when describing political candidates and their supporters, in particular.

When talking about Christians or Republicans, for instance, one week the buzz words might be “*threat to democracy*,” and the next “*insurrectionist*.”

Another week the trigger words might be “*unhinged*” or “*infringing on a woman’s right to choose*.” There is rarely a deviation in the

phrasing. Really, there are about a hundred ways to say “*a woman can get an abortion*.” But it is always phrased in exactly the same way as “*infringing on a woman’s right to choose*” by all the talking heads across all media forms.

It is eerie, like the spouses in **The Stepford Wives**, if you know what I mean. People have made reels on You Tube and other sites showing this.

At any rate, the word of the week or month for the left-wing media continued to be “*weird*.” Somehow, they all got the screenplay.

In the past, they have called Christians: Nazis, racists, traitors, frauds, crooks, insane, dangerous, and worse. But suddenly across the left-wing news spectrum, Trump, his running mate Sen. J. D. Vance, and supporters are

“just plain weird!”

As proof, I offer this:

widespread renown, that crossing from Greater Scythia, via the Tyrhennain Sea and the Pillars of Hercules, and living in Spain among the fiercest tribes for many years, it could be conquered by no one anywhere, no matter how barbarous the tribes. Afterwards coming from there, one thousand two hundred years from the Israelite people's crossing of the Red Sea, to its home in the west."

Our enemies want our fellow white brothers and sisters to think that our teaching, now known as Christian-Identity, is an obscure teaching that has no Biblical or historical evidence. This is far from the truth and that is why they don't want to give any credibility to this teaching. Because if they admit there is *some* evidence then people will want to see it and that my friend would be a game changer.

This is why the name calling. Perhaps you will be called racists, anti-Semite, white supremacist and perhaps other idiotic names to shame our beliefs claiming them weird as pointed out by Pastor Reid.

However, as previously stated, there have been countless men and women of notoriety that followed this teaching such as Gerald L.K. Smith founder of the Passion Play and Christ of the Ozarks in Eureka Springs Arkansas and Evangelist M. Fowler Ham who led Billy Graham to the Lord. This teaching in modern times have been known as British-Israelism, the Kingdom Message, and Christian Identity. Even though there be differences in Biblical understanding, the root of the teaching is the White race is Israel, or the lost tribes of Israel.

As I stated in the beginning, I'm amazed by the wealth of information of this beautiful knowledge of who we are. I have been blessed to be raised by my parents, Pastor Thomas and Muriel Robb, who have shared this beautiful message to me and our family and been an avid advocate for over 55 years in their ministry. As I am 50 now, you would think I would have heard or read all the books available regarding our heritage. Apparently that is not true. I know that over the years, decades, and even yes, centuries, people have written about this message and our racial

connection to Israel in the Bible, and our enemy continues to try to suppress it so it won't be revealed to our people. I still come across books that have been written about our identity message. It shows how good our enemy tries to suppress this message.

One book I just finished reading is called, *The Enduring Empire Of The Brit-Ish*, by Rev. P. H. Pritchett, written in 1928. In his opening statement he says, "An account of the remarkable unconscious testimony of several *Historians never before Used in British-Israel evidence, which is shown to exactly fit in with the picture Scripture draws of the Scattered, Outcast, Wandering, Lost Ten-Tribed Israel led to the British Isles, and destined to ultimately become a blessing to the Whole world.*"

THE ENDURING EMPIRE OF THE BRIT-ISH

Rev P. H. Pritchett

Rev. Pritchett was a minister in *Christ Church*, New Zealand and within the book, is a plethora of information regarding Israel being captured by Assyria and Babylon and eventually being led by God into Europe and developing those nations over centuries. Obviously, I can't quote everything, but each chapter contains amazing evidence. However I will give a glimpse of what some of these chapters contain.

Chapter 1 Testimony of Jews of present day that lost Ten Tribes not among them.

Chapter IV - Seven connecting links in chain of evidence regarding names the lost Ten Tribes went under. Evidence that some Danites emigrated to Greece from Goshen.

WEIRD from page 3

1 Peter 2:9

In an interview with MSNBC Democratic Minnesota Governor Tim Walz called Trump and Vance “just weird.”

A news release from the Kamala Harris campaign, commenting on Trump appearance on Fox News claimed “Trump is old and quite weird.” The next day, the Harris campaign insisted “J.D. Vance is weird.”

According to AP News:

Two of Harris’s allies, Senators Brian Schatz of Hawaii and Christ Murphy of Connecticut, posted a video on X calling Vance’s past comments about limiting the political power of childless Americans “a super weird idea.”

At a fundraiser, Harris said “Some of what Trump and his running mate are saying, it is just plain weird.”

Even Michigan Governor Gretchen Whitmer got into the act, saying Trump was “weird” on a morning cable news show.

WEIRD IS EVERYWHERE!

The phrase “peculiar people” appears in the King James Version of the Bible.

“For thou art an holy people unto the Lord thy God, and the Lord hath chosen thee to be a **peculiar people** unto himself, above all the nations that are upon the earth.”

Deuteronomy 14:2

“But ye are a chosen generation, a royal priesthood, an holy nation, a **peculiar people**, that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light.”

“Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a **peculiar people**, zealous of good works.”

Titus 2:14

Normal has
become weird
and weird has
become Normal
Isaiah 5:20

In the Bible, “peculiar people” can refer to followers of Jesus Christ who are set apart from the rest and have made a deep commitment to God. They are described as being holy, consecrated, and free, and as not being bound by sin and death. The Bible says that Christians should live out their testimony daily so that the unbelieving world

may be pointed to the Savior.

Webster says:

Weird: of strange or extraordinary character: odd, fantastic.

The Cambridge Dictionary says:

Weird: Strange and unusual, or unexpected.

One might agree that true Christians are not considered normal in this day and age. What normal person would want to go through the persecution and strife that God said would be waiting for us the moment we profess to believe in the Lord and Savior Jesus Christ?

Remember, when on May 11, 2024, Kansas City field goal kicker Harrison Butker spoke at a Catholic graduation ceremony? He posited that many of the young women in the audience that day, though ready and raring for a successful career in their chosen fields, would find their most joy in birthing and raising children. Immediately, the “woke” mob called Butker to be issued an NFL pink slip.

Why is the left so scared of the Christian lifestyle and tenets, and why do they call it weird?

Pastor Robb

The article, **Here is your Mission** in the last issue was excellent. Your analysis was on point. Donald Trump has great value to our movement. Though he is not a white nationalist, his civic nationalism will allow us the freedom to evangelize our message. Whereas, I believe Harris would clamp down on all our constitutional liberties.

May the Lord bless your excellent work!

Dear Pastor:

I read your book **Blood Trail** and it really opened my eyes and awakened me. I gave it to my brother to read, but he said it was a waste of time.

I can't understand something that was so clear to me was so muddle for him. He has always been confused on politics and history. His wife is a nice Christian white lady. But years ago he did date a girl from the *Philippines*.

I am ordering a couple of your other books. I am especially interested in **America: Christian, White and Confused**, also **The Last Church**. May God bless you Pastor and your family. Someday I hope to met you.

Dear Christian Revival Center:

A few issues back you noted that the Audubon Society in New York was changing its name because they didn't want to continue giving recognition to a racist.

Audubon did more to help in the study of birds than anyone in history. If anyone was lucky enough to own a copy of his first book they would be rich. It is considered the most valuable book in the world. A copy was sold at auction on March 10th for \$8,802,500 breaking all records set for a book making it the most valuable book in the world.

Some are angry because he owned a couple of slaves

I am looking forward to meeting you some day.

Chapter X - The New Testament Testimony

Chapter XI - Tradition of descent of the Ancient Briton from the Trojans.

Chapter XII - Princess Tephi, Jeremiah, Brug, and the Stone of Destiny.

Chapter XIII -What is the good of it all?

So I will end with this. The anti-Christ and anti-white activists hate our people and will always try to shame us and our beliefs and their ultimate goal is total extermination - white genocide! As White Christians we need to understand this. We need to understand we have something worth preserving. *Our Blood!* In our blood is the same DNA of Abraham. It is the same DNA of those who were led out of Egypt and conquered Canaan.

It is the same DNA of Elijah, the same DNA of Jacob-Israel, the same DNA of those who marched around Jericho, the same DNA of those Israelites, who because of their sin, were cast out of their homeland, led through the Darial Pass of the Caucasus Mountains into Europe fulfilling the covenant to Abraham that his children would become a multitude of nations - Gen 17:1-5.

There is evidence and there is proof and our people have a right to know! **END**

STUFF from page 1

move to a more secure place for your family. You have talked about it with your spouse. You considered moving “someday” but for some by the time they get around to it - their children are grown and are establishing their own roots in the exact same place you are trying to escape. And by the time you make the move - you end up leaving them behind. Many have moved for the promise of a better job, but few ever consider a move for a better environment for their family.

You know it would be wise to get out of the congested cities or where there is a large infestation of non-whites to a safer location for your family. A place where there are people like you with perhaps a church that embraces your values.

Again, the thought may be “*I only have a few years until retirement.*” But the enticement to stay can ensnare you and your children and your future grandchildren.

Perhaps you are afraid of the culture shock (yes I have heard that one) for you or your children. “*My kids would fight me if I even made the suggestion.*” Remember you are the ones putting food on the table. Make the move before they are eighteen and they will follow the food.

The Bible tells us that the love of money is the root of all evil. If money is the criteria we use to make our life’s decision it very well could have an evil consequence. It doesn’t mean you are an evil person, but consider, the result you bring upon yourself, can be “evil.”

So take a close look, a prayerful moment and thoughtful consideration.

Do you own your business or does it own you? Do

you own your house or does your house own you? If you are a younger parent, consider again, if you do not move before your children reach their teens there is a greater chance they will not willingly move. They are already attached to friends, life and perhaps a potential spouse.

God does not say it is wrong to own things, but it is wrong when things own you. Do not base your identity on earthly stuff, don’t allow earthly stuff to become your master.

God can give and he can take away. Jesus will provide. He knows what we need. Pursue His kingdom and not yours. When you understand that possessions can rob you of the freedom to follow him, maybe a change of life style will truly give you and your family the opportunity to connect with what is really important. Perhaps you will discover how rewarding nature, life, Covenant Christians friends, and family can really be. For some, even the safety of going out to the store at night will be less stressful.

Our nation is traveling down a dangerous road and building a firm foundation is needed now more than ever. It takes more than learning about the latest enemy plot to commit white genocide. It takes embracing a personal relationship with Jesus Christ.

It takes ensuring that you and your loved ones are out of the “muck” and prepared for the dangerous road. Let us have a humble spirit and a servants attitude. Let us lay up treasures with God, lay out a firm foundation and free ourselves from the stuff that can so easily beset us.

The Bible tells us that the footsteps of a righteous man is guided by the Lord. Let every child of the covenant reevaluate themselves. No one dies wishing they spent more time at work, had more money in the bank or a bigger house, or a faster car.

I suspect, for the most of you, the thing you want to hear is “Well done good and faithful servant.”

But to hear those words you must live a life where stuff doesn’t own you and you fully realize that you are the property of Jesus Christ who bought you with His own dear blood. **END**

Our nation is traveling down a dangerous road and building a firm foundation is needed now more than ever.

Has God Removed His blessings from America

It certainly seems so. We hear of inflation, illegal aliens, anti-white Critical Race Theory (CRT), weakened economy and the confusion some have in determining how to tell the difference between a boy and a girl.

We are told that these are the problems Americans face.

But these are not the problems!

They are the curses we face for turning against God.

Easy Math

Some say there are only 15 million (only!) illegal migrants in America. But others say there are as many as 30 million illegal migrants.

The US has a population of 332 million.

If there are 15 million migrants that would mean **one out of every 22** people you see on the streets are here illegally.

If the newer figures are accurate that would mean **one out of every 11** people you see on the streets are here illegally.

Welcome Migrants!

Welcome to America!

The 3rd World invasion!

America is being invaded!

And America is changing. The change is not good, and the children.

If you think we are having trouble with these "minorities" people just wait until these "minority" people become the majority!

What will your children do?

THAT is why we need Jesus!

100 for only \$25

We need these tracts distributed by the thousands throughout the country. There are many people being sucked up into the **One World Church**. The One World Church has hijacked our very best nature - a nature of compassion - and have twisted it to take us to a very dark place that ends up in White Genocide. The One World Church is guilty of making evil "good" and good "evil."

These tracts can be left on counter tops, in stores, or rest rooms. **They are small and can be easily distributed without attracting attention to your self.** You can also simply mail a few out each week. You can order 50 of each for the same price.

The price includes postage, but if you are able to send a couple extra dollars to help on postage that would be helpful. The tract offers a free DVD to those who wish more information. Your title and contribution to the Church will help toward the production and mailing of these DVDs.

Order MIGRANT TRACTS or REPLACEMENT TRACTS

like these or similar ones, they are immediately touted as intolerant and, according to the latest trend: **weird!** These are solid talking points, yet the media, liberals, and Kamala Harris will attack anyone who holds to beliefs or opinions that differ from theirs. They do not like Christians and neither did Marx. Unfortunately, that unhappy woman might just be our next president.

The impressive front of the *Christian Research and Development Center*. We are again making substantial progress on this project. This facility will contain the hundred plus history of the Christian Nationalist crusade in America. We have been able to obtain historical artifacts of George Lincoln Rockwell, J. B. Stoner, Richard Butler, Dr. Ed Fields, Willis Carto, John Kasper and others. There is no other project like this in the country.

This facility will also contain historical archives of publications such as *The Cross and the Flag* (Gerald L.K. Smith), *Destiny Magazine* (Howard Rand), *Kingdom Digest* (John Lovell), *The Rockwell Report* (George Lincoln Rockwell), files from Gerda Koch and others.

And of course study rooms for students who will be able to articulate the message of White Christian Revival.

We are continuing to collect artifacts and archive publication relating to Christian Nationalism. We know it is a long shot, but personal items from Gerald L. K. Smith, G.L. Rockwell (we do have his Bible), Richard Butler, Sheldon Emry or others would be important additions. These may be things you have in your possession or perhaps in the possession of others that would like to help in this project. Years ago I missed an opportunity. One day when visiting with Ralph Forbes who worked directly with Rockwell, he pointed to an old typewriter sitting on the floor. "See that typewriter - that is the typewriter Frank Britton wrote *Behind Communism* on." I should have grabbed it and ran out the door. But of course, I wouldn't... And didn't - But perhaps should have.

One day, Chuck Schumer, Nancy Pelosi and Kamala Harris were flying on an airplane. Chuck said: "I think I will throw a hundred dollar bill out the window and make somebody happy!"
 Nancy said, "Well I will throw two - one hundred dollars bills out the window and make two people happy!"
 Kamala said: "Silly people! I will throw three one hundred dollar bills out the window and make three people happy!"
 The pilot hearing this simply responded: "Well I think I will throw **all** of you out the window and make **everybody** happy!"

(Right) - Caleb and Tayton, sons of Jason Robb installed these hand rails going up the steps of the Christian Research and Development Center.

On Friday August 23rd, just a few days before the Knights Party Conference held here at the Soldiers of the Cross camp ground lightning hit the well and “fried” the pump at the church. Fortunately I know a well service repairman who was able to come out immediately and get the pump pulled and replaced. Not having water during the conference would have not have been good. The truck you see is pulling the pump out of the well.
